ABOUT ME

Computer and Software Engineering student at the University of Prishtina, with practical experience in web development, programming and database technologies through academic and personal projects. Interested in software development, application design and exploring how technology can solve practical problems. Also experienced in customer service, teamwork and operational activities through internships and volunteering.

WORK EXPERIENCE

Prishtina Mall – Prishtina, Kosovo

Website: https://prishtinamall.com/

Operational Audit Intern

[30/08/2026 – Current]

- Monitor hourly store traffic, customer purchases, sales amounts, and cash and card transactions.
- Conduct store compliance checks, including product pricing, promotional displays, cleanliness, and employee conduct.
- Complete sales records and operational checklists to document store performance and adherence to company standards.
- Check the availability of customer-facing screens and monitor compliance with store presentation and operating procedures.

ProCredit Bank – Prizren, Kosovo

Website: https://procreditbank-kos.com/

Intern – Business Department (Private Clients)

[30/07/2025 – 15/09/2025]

- Assisted clients with ATM services (PIN change, deposits, withdrawals, balance checks).
- Supported customers in using mobile and online banking applications.
- Provided customer service and guidance in the 24/7 self-service area.
- Collaborated with the Business Department to support daily operations for private clients.
- Represented the bank in public promotion activities, distributing brochures and informing potential clients about banking services.
